

## Engagement Requirements

### Suitable Examples:

- Presentation of research at a scientific conference (Frontiers, PNB Symposium, NEURON, etc.)
- Attending 5 PNB Wednesday seminars and writing a synopsis of each, which should be submitted to your honor's advisor
- Attending 5 "pre-seminar discussion" sessions on Tuesdays 4-5 pm hosted by the seminar host and writing a synopsis of each, to be submitted to your honor's advisor
- Participating in regular lab meetings throughout a semester and presenting own data once or twice. Need attestation by faculty supervisor.

### Inappropriate Examples:

- Shadowing or volunteering at a clinic or hospital
- Paid shift work as an EMT, CNA, medical scribe, etc.
- UConn courses
- Working as a tutor or peer mentor
